

KEEP THIS CLOSE.

DEFAULT CONTROLS / CHANGE MAIN KEY BINDINGS IN SETTINGS

WHEN THE LIGHTS FAIL, STAND STILL.

Descent: stop moving during a blackout. Wait for the lights to return.

INPUT	ACTION
WASD / arrow keys	Move
Mouse / trackpad	Look
Shift	Sprint
E	Interact with the focused object
F	Toggle the flashlight
C	Raise / lower camera (Descent)
Space	Take photo with camera raised
Hold right mouse	Raise camera (Descent)
Left mouse	Take photo with camera raised
P	Open / close photo album
Esc	Pause / resume, or cancel a view
Q	Request a return to the title

DESCENT

C raises the camera; Space takes the photograph. P opens your album. Document new anomalies, complete the elevator-room recording, then use the lift. F controls the flashlight; E uses charging stations.
